When taking the train, get off at Darmstadt main station (Hauptbahnhof); the Institute is about five minutes' walk away. Leave the station through the eastern entrance (Main) and go straight ahead along Mornewegstrasse (past the Kinopolis-cinema). After approx. 150 metres turn right into pedestrian path, following signs to "intenso - Medical Fitness". Continue along the pedestrian path and enter the third building entrance before the car park (no. 95). The Oeko-Institut office is on the 5th floor.

by car

Coming from the north or south (A5 from Frankfurt / Basel, Heidelberg, Stuttgart; A67 from Mannheim / Wiesbaden): take the Darmstadt exit at the "Darmstädter Kreuz" junction and follow the signs for the city centre ("Innenstadt") on the B26 (Rheinstrasse). Continue straight through two big intersections. At the third light (Hindenburgstraße) make a U-turn. Return 250 metres along Rheinstrasse in the right lane towards the motorway. At the Parking-sign Oeko-Institut sign before the next major intersection, turn right into the car park. Parking costs 2.50 euros. The Oeko-Institut office is on the 5th floor of the building complex on the right.
